Check-In Procedures (Nursery-5th) Reminders:

- 1) Please sign in child with FIRST and LAST Name clearly – Data person needs to be able to read sign in sheets in order to maintain Kreek Kids attendance and for AC3 stats.
- 2) Bring pick up slip to classroom. Helps our once-a-month teachers/helpers release kids confidently. It may feel like an inconvenience to regular attenders but brings peace of mind to guests.
- 3) Be sure all of your children get signed in and mark which services they are attending.
- 4) Nursery – (use two tags) Write clearly one for diaper bag, one for child.
- 5) Fill out New Registration cards promptly when you have new contact or alert information.

1st Service Update: 1st-5th will remain in service; staffing shortage and a trend where families stay together more. We will implement family friendly activities on stage, packets, art boards and packets.

Parents: Please preview activity packet & encourage them to wait until the message time to complete. Can be picked up at AC3's front doors. Ask a Greeter or Check-In

FX Room Option: Use only loaded software. No CD's. Need computer person update. Will work with parents after meeting Worksheet training afterwards. How To's.

It Takes a Village - Together we need to encourage good manners in the service and lobby.

- 1) Ask your child to ask themselves ...is what I am doing a distraction for others? Remind them that EVERYONE sitting behind them can SEE and/or HEAR what they are doing and they will be distracted from the message or worship time which is important.
- 2) Encourage kids to get a beverage or take a restroom break before service unless absolutely needed.

Nursery (0 – 3 years) 3 year old Options: If staff ratios are good, your child enjoys participating in group activities and they are potty trained, they may be able to attend our preK class.

1st-5th Grades – Live Feed of service during 10:30 will continue with possible new teaching options trialed in Dec. Kids are getting KK Wallets, Bucks and KK Store will be open again. You can find take-home flyers and challenges sheets online for extra bucks @ www.ac3.org/kknews.htm .

Kids Council – Contact Becky if your child would like to be part of a Kids Planning Team. Kid's insights wanted!

Grapple for Tweens – (3rd-5th grades) Thursdays @ 7 PM, 1st and 3rd Thursdays of the month.

Key Leader Meetings – Next year, every 2-3 months – You are invited☺

Christmas Event Sign Up Drama or Help?– Kids and parents needed to help implement a Christmas outreach play and or event.
