Kreek Kids is a family co-operative ministry. We run on the combined efforts of parents, key staff and volunteers who serve families, using the gifts God has given us.

**Kreek Kids....The BEST HOUR!**
A place where children have so much fun learning about how awesome God is, that they won’t want to miss a single week...

where children learn a monthly BIG Idea and Bible verse to help them remember biblical truths all month long....

where creative teaching techniques, games, puppets, videos, skits & LIVE video feeds are used to help teach this media-driven generation about how to live the Christian life at home, at school, & in their neighborhoods.

The BEST HOUR...
That’s what we want our weekend programs to be!

How can my child participate in Kreek Kids?

All children ages 0 through 5th grade are invited to join us! Just enter the AC3 Education Center where your family will be greeted by our friendly Kreek Kids Check-In Staff.

First Time Guest: Upon Check-In to Kreek Kids

Your name, cell phone# and your child's name will be requested and added to your child's name tag and pick up slip.

After your first few visits, your family can be added to our electronic check-in system. Each week our check in team will print out your child's name tag and a pick up slip. Our system allows your child to be checked in and out of Kreek Kids safely.

Our Check-In Staff can also give you additional information and general directions around AC3.

Ministry newsletters, FAQ’s & other informative flyers can be found located inside the Kreek Kids Check-In Center or at www.ac3.org.

We hope this brochure gives you a brief overview of what you can expect as you visit with us today!

What policies do I need to be made aware of?

✓ Children need to be signed in and out of Kreek Kids by a parent or a responsible adult.

✓ If your child has a known food allergy, special medical or family security need, please alert our Check-In staff upon arrival and add a RED Dot to your child's name tag every time you attend.

✓ When you are ready to do so, we can also add you to our email list. Just let our Check-In Staff know. All information is kept confidential and used to identify birthdays, health or security concerns and provides a way to help us keep you informed of ministry updates.

✓ We maintain Volunteer-to-Child Ratios.

 Occasionally, we need extra adult helpers to keep our classrooms SAFE and OPEN or a classroom may need to be temporarily closed. This is done for the safety of our children and the courtesy of our volunteers.

✓ AC3 maintains a website that posts a variety of ministry pictures. NO children's names or personal information will ever be posted on our website!
