

SEEDS OF GRACE RESOURCE EXCHANGE

*SOG offers a limited selection of emergency pantry items, single food bags and personal hygiene items by appointment.
360-659-7335 Ext. 202 (AC3 Office Doors)*

In an effort to help individuals grow a variety of life skills and opportunities, we offer one-on-one resource consultations in which individuals create their own personal action plan for needed resources including them in their own relief process. Plans may include matching a client's needs with available resources, creative planning solutions, basic budgeting, free resumes, job seeking assistance, interview support along with other applicable training and social support. We *LOVE* offering individuals a hand up! We want individuals to have a renewed sense of dignity and the self confidence that many so desire and deserve.
